Mercury

December 2013

From the desk of the Manager:

The response to walking path survey was very favorable. It will now go to the bid stage, then to the Board for approval. Thank you all very much for your input. We have had 10 contract signings in the last 6 months and 1 more in December. I would like to thank Dolly Rehfuss, Sherry West and all of the members who have worked hard at letting people know how great it is to be a member of Fulmor Heights. Now that Fulmor Heights is running more like a well-oiled machine, I don't have much else to add. That being said, I wish all of you a safe and happy holiday season.

To celebrate the Christmas holiday, the Administrative office and Maintenance department will close at 12:00 p.m. on 12/23/2013 and will reopen at 8:30 a.m. on 12/26/2013. To celebrate the New Year, the Administrative office and Maintenance department will close at 12:00 p.m. on 12/31/2013 and will reopen at 8:30 a.m. on 1/2/2014.

News from the Board of Directors

Our Staff is working very hard to fill the empty units, and the number continues to go down. With the refurb work going full tilt, and the efforts of the Membership Committee, we are welcoming new FHHOA members every month. Please take time to introduce yourself to these new members of our community. You can help our marketing effort by spreading the word: Fulmor Heights is a unique community that has much to offer. You will see us in a new advertising effort at the Shoprite in Warminster. Let us know what you think!

Since prospective members are passing through our community, do your part by keeping your yard and porch tidy so that we make a good first impression.

We welcome John Fernandez to our Board, and thank Sue Meszaros for her service to our community.

Have a wonderful holiday season! Let's count our blessings and share our goodness with others.
