Mercury

May 2014

From the Desk of the Manager:

April's General meeting was very productive. There were several items brought up that I would like to relay to all members:

- 1) Recycle containers can no longer be obtained from the Township. You can however, purchase them from The Home Depot.
- 2) If you have old Comcast or Verizon lines attached to your home that are not being used and wish to have them removed, the member must contact the appropriate utility company and request to have them removed.
- 3) Last month, some members' recreational vehicles were vandalized. With the struggling economy, crime is on the rise and with the weather getting warmer, please make sure you secure your belongings and your home while away.
- 4) Volunteers are being sought for our newly formed House & Grounds Committee. If you are interested, please contact Dolly Rehfuss at the office.

The following are changes to the **2014 Bagged Leaves and Yard Waste Collection**. Due to holiday scheduling changes, there will be **NO** bagged leaf or yard waste collections on the following Mondays in 2014:

May 26 July 7 September 1 November 10 December 1 & 29

Please do not put your yard waste of the night before these dates.

FROM THE BOARD

Happy Spring!

The Board is working on the revisions to our Policies and Standards. Thanks to the hardworking committee who examined the current version: Francine Cheftalian, Margaret Healy, Pat Large, Sherri Weaver, Dolly Rehfuss, Fran Ceneviva.

The Board is looking at their suggestions, we will make our own revisions, and then make the revised version available for interested members before final adoption. Watch the Mercury for additional details.

We are also working on the Budget for 2015. We have received the proposed budget from the Manager, and have begun our revisions so that it can be adopted at our next meeting on MAY 20.

THE MONTH OF MAY

Besides celebrating May Day/May 1 (get outside & look at the sky, smell the flowers) and Cinco de Mayo/May 5 (make yourself some nachos or a margarita) and Mother's Day/May 11 (if your mother is no longer with you, remember her fondly...if your mother is still living, give her a hug + say thanks for all she does to make your life better) and Memorial Day/May 26 (fly a flag, thank a veteran).....we celebrate the month of CLEAN UP-CLEAN OUT-THROW AWAY!

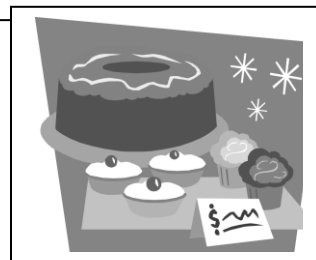

We all have TOO MUCH STUFF, so take advantage of the wonderful opportunity to have our stuff hauled away during this entire month on our regular trash day. We got a light green flyer delivered to our front doors that details what Upper Moreland & FH HOA WON'T TAKE, so be sure to review it. Our Maintenance Staff will haul away whatever's left at the curb. So do your part to make our community sparkle: clear out your SHED, clean up your PORCH & YARD.....start that outside spring cleaning.

HOUSE AND GROUNDS

We are preparing to examine the entire Fulmor Heights grounds, and would like to have volunteers to help out with this. If you are selected as a volunteer, you will be assigned a section of our community (not your court) to look at, to complete a checklist for, and to turn in your checklists to the Office. It should take you approximately 1-2 hours. This is a sweet one time deal, no meetings required, (no pay, either), you can complete your assignment at your own pace, you can work alone or with a buddy. Interested? Call the Office with your name, phone number, email address (if you have one). You will be contacted about when to start.

Do your civic duty >>>>>>>>>>>>>>>>>>> VOTE on Tuesday, May 20 !!

And buy some delicious home-baked goodies at the SPIRIT COMMITTEE BAKE SALE.....cookies, brownies, cakes, onion pies, cupcakes for a very reasonable price.....proceeds go to the Scholarship Fund which will give money to a Fulmor Heights resident who applies for and is selected to receive the Third Scholarship awarded by the Spirit Committee & The Club.....yum !!!!

Notice:

Topsoil \$20.00 a scoop and is available by calling the office.

Grass seed \$1.25 a pound and is available for pick-up at the office.

Reminder all submissions for the June Mercury are due to the Office no later than May 22, 2014.
