Mercury April 2019

FROM THE DESK OF THE MANAGER

Spring has FINALLY SPRUNG!!! With the coming of spring, there are some spring chores to keep in mind. Open your attic vents to allow your attic to breath, and if you intend on using your outside hose bibs, they can be opened for use. If you are unaware or unable to do this, please contact the office and we will make arrangements to have it opened for you.

ALL recyclables (with the exception of yard waste) may now be mixed together IF placed in a container that has **no larger than a 50 gallon capacity and does not weigh more than 50 lbs. when full.** This includes glass bottles, plastics numbered 1-7, tin and aluminum cans **AND** also paper products. Please refer to the Township Newsletter for more information.

The office has received some complaints about free space parking violations. Please do not park your vehicle in a free space and forget about it. Monopolization of free spaces is not allowed in FHHOA. 72 hours is the time limit to leave your car in a free space without moving it. Please be mindful of your neighbors. Also, vehicles that are parked on the street do not fall into the same rules as the free space parking. The streets are owned by the Township and vehicles can be parked there beyond the 72 hours free space limit as long as it is inspected and not abandoned.

I hope the replacement of the court lights has made it safer to walk. Yes, they are brighter than before, but our intent was to make it safer for all Members.

COMMUNITY GARDEN

“The Garden Committee” is in the final stages of organizing the community garden. Our goal is to have plot registration forms in the office before April 5th and to complete construction of the plots over the next 30 days. Anyone interested in having a plot or just volunteering to help in the garden will need to fill out a registration form. (Even if you submitted the earlier questionnaire)

To get on the email list for information regarding the community garden or to volunteer to help build the plots, Please email your information to FHHOACGC@gmail.com.”
