Mercury January 2020

FROM THE DESK OF THE MANAGER

I hope you all had a wonderful Holiday Season!

Winter has finally arrived. There are some winter housekeeping items I would like to mention. Don't forget to turn off the valve to your outside faucets, then open the faucet to drain the line. If you are unsure about this procedure, please, call the office and we will write up a work order to have it done. If you have gable vents, please close them to prevent cold air from entering your unit. I know it has been unseasonably warm but, it won't last. Stock up of calcium chloride for your walks when snow finally arrives.

I received an e-mail from Upper Moreland Twp. praising us for how well we are adapting to the new recycle can placements on trash day. Great job everyone, keep up the good work!
