**FROM THE DESK OF THE MANAGER**

May is the month where many of us look forward to getting out of our homes to start our spring projects. Such as gardening, final leaf clean up, patio furniture cleaning and all-around relief from winter confinement. For what ever reason, enjoy it to the fullest!!

We will be coming around to remove your crawspace vents. Please do not do this yourself. We want to store them properly, so we have them for next year. Due to the supply chain disruptions from the pandemic, material costs have tripled, and we are trying to conserve needless expense. While we appreciate your help, please allow our maintenance department to remove them.

If there is anything that is not working properly, please call in a work order so we can address it immediately. Ignoring it because "you didn't want to bother us" is the wrong reason. We all pay a fee for the maintenance department to repair breakdowns no matter how small.

We have fielded a couple of complaints regarding members walking their dogs too close to other members houses. Please be respectful of your neighbors and stay in the common areas when walking your pet.

Some of you may have noticed pink flags lining the creek banks in center court. They are surveyor flags for a new Streambank Restoration project that FHHOA and Pennypack Ecological Restoration Trust has partnered together to apply for a grant from the National Fish and Wildlife Foundation. The project consists of restoring the badly eroded streambanks in center court, planting of new bushes, trees, and grasses along with enhancements to our playground. We sent our grant application in on March 31, 2022, and hope to hear positive things when awarded in August 2022.

The Bridge construction on Warminster Road appears to have started. Upper Moreland Twp. has confirmed that preparation work will be underway throughout 2022 with adjusted traffic patterns and flaggers. The bridge reconstruction will consist of full road closure, last approximately 6 months and start in April 2023.

\*\*\*\*\*

There will be NO YARD WASTE collection on Monday, May 30th. It will be picked up the following Monday. PLEASE do not put any yard waste out on this day!

To the residents of Fulmor Heights,

Garden plots are available to rent this spring at the Fulmor Heights Community Garden. The price is \$30 per year, and a \$20 deposit for new members. Current members should reach out to Mike Dietz ([fhhoacgc@gmail.com](mailto:fhhoacgc@gmail.com)) at your earliest convenience so he can collect your fees. Mike and his fellow committee members will be organizing volunteers to help get the garden prepared for planting in the next week or 2. We would love to have some volunteers to help clean up the garden and spread wood chips. Please email if you are interested in renting a plot [FHHOACGC@GMAIL.COM](mailto:FHHOACGC@GMAIL.COM). We will reply to you as soon as possible. Don't wait too long to grab a plot, there are only 16 plots total, and some have already been reserved! Copy of the application forms, rules of the garden, and the disclaimer can be obtained from the office.

We look forward to seeing everyone this season!

FHHOA Garden Committee Members

Rain Gardens

To volunteer to help with weeding the rain gardens please email me at [FHBOARD.HANDG@GMAIL.COM](mailto:FHBOARD.HANDG@GMAIL.COM) or contact the office, leave your contact information, and I will reply at my earliest Convenience. Thank you

~~~~~Kathleen Cheeseman

### Activities Committee Message

We are trying to restart the Activities Committee. Come join us this Monday, May 2<sup>nd</sup> at 6PM at the office for our first meeting of the year. We need volunteers and ideas if we want to be a success. Many of us have been secluded the past couple of years. It could be fun getting together with other members of our community. Maybe we can bring back Bingo, have another yard sale, a community potluck, collect for a worthy charity??? We are open to ideas .... Remember, it takes a village.

We have created a new GROUP EMAIL that will allow us to send important notices and pertinent information in real time. The email address is [FHHOAMembers@fulmorheights.com](mailto:FHHOAMembers@fulmorheights.com). If you haven't done so already or have gotten a new email address, please email this address with your email address so you can be kept in the loop.

## Plants for Sale

Ferns (couple of different kinds)

Ornamental Grass (4'-6' tall)

Miscellaneous      \$3-\$5

If interested, please call Brenda at 215-672-6762 and  
Leave a message.

### *Heights Landscaping*

For all your lawn, leaf, and snow removal needs.

Please Call Mark @ 267-606-7469
